

EPISODE 16

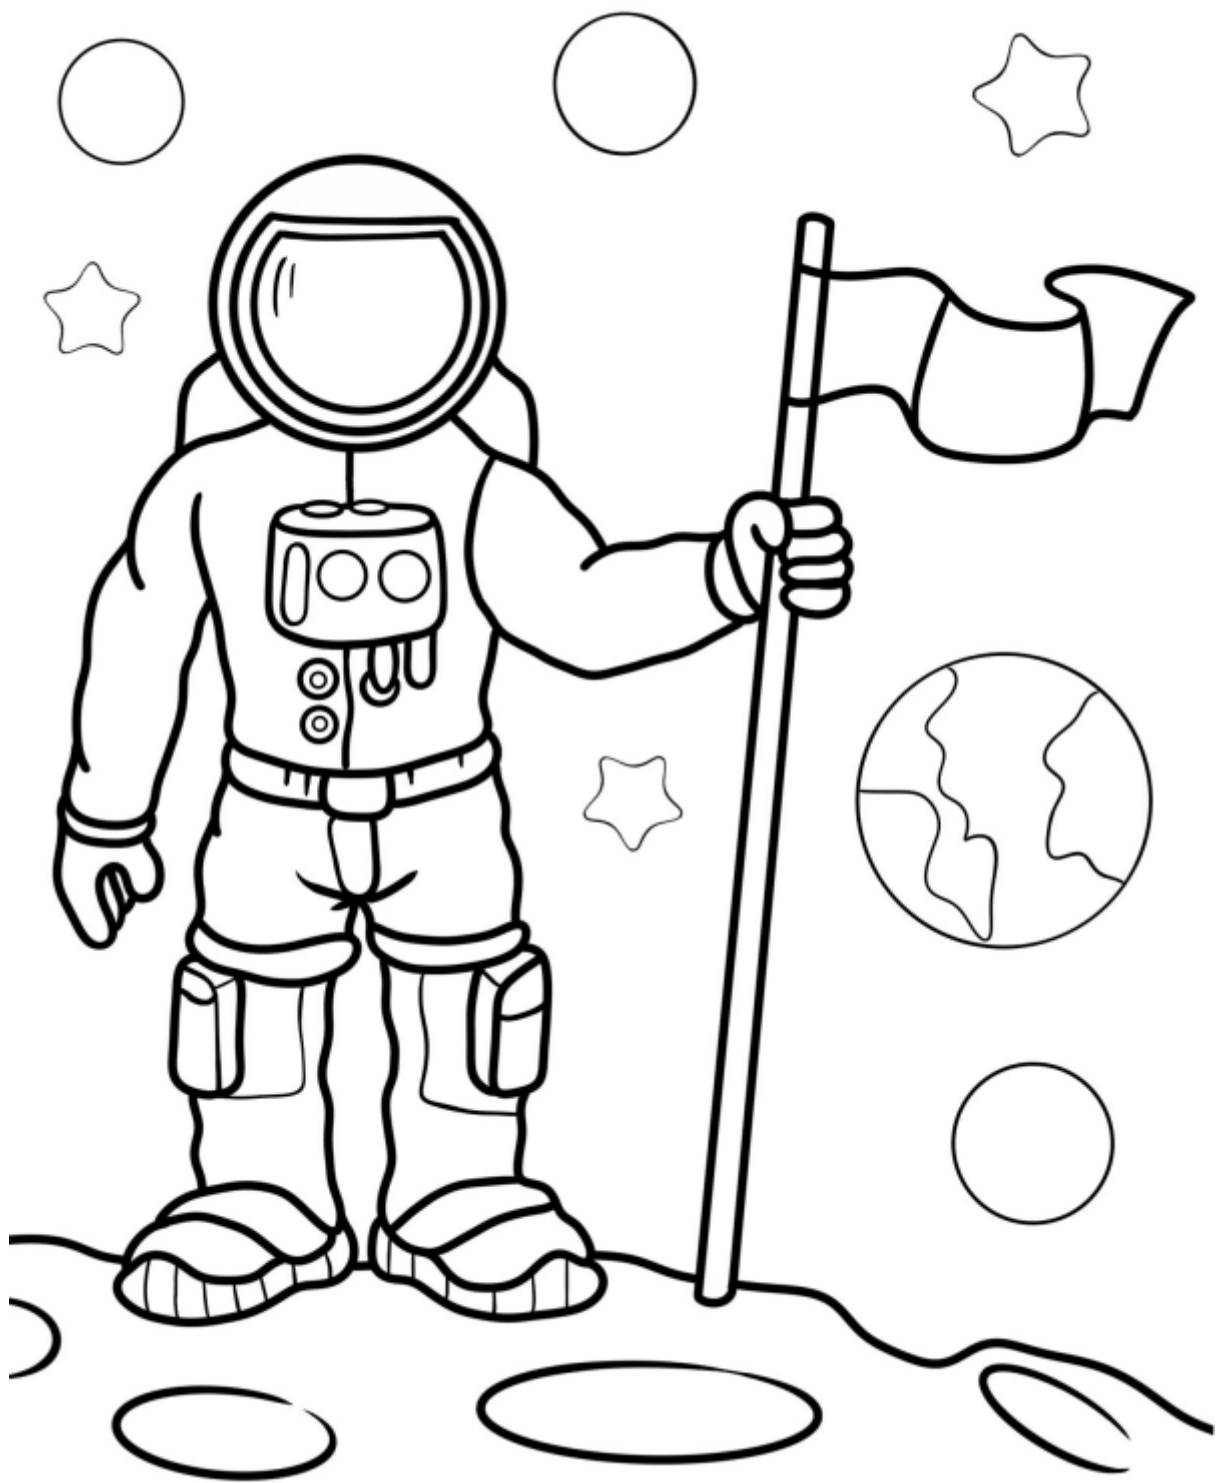

Question Time

Ages 4-10:

It's your turn to be the astronaut and have adventures in space, draw yourself as the astronaut below. What are you doing while floating in space? Maybe you're seeing the moon? Or kicking a ball? Show us what you will do as an astronaut?

Ages 11-15:

We have learned a lot and Sultan answered many of our questions and we have learned a lot about space. Some of the words we used are hidden below, can you find all of them below?
